

Priority Revision Planning

ABILITY →

↑
PRIORITY

1. Work through each of your GCSE subjects.
2. Think about how important each subject is to you (Career, FE course, life skills).
3. How much do you already know about this subject? Do you find it easy to recall all the information you have learnt?
4. Write the subject in the appropriate box

All subjects in the top left hand section will need the most revision time
